Saints,

I am excited to finally release this project to get quality readings of the old puritans available freely to many. It is hoped t o get some more contemprary speakers to read more puritan writings, currently we have finished the first 6 shows with t he help of Todd Gaddy.

A Puritan Devotional Podcast - A Puritan Devotional. Featuring classical writings from the ageless puritans. The purpose of these segments is to humble the pride of man, to exalt the grace of god in salvation and to promote real holiness in he art and life.

I tried to subscribe to the podcast, but when I click on the subscribe link (inside iTunes) nothing happens. Any idea what I may have done wrong?

ETA: These are the perfect length to listen to during my 15 minute breaks at work!

Wow, I'm all about this. Thanks, Greg. What do you mean by "contemporary speakers"?

I'm now subscribed to the Puritan Devotional. This is such a wonderful resource. Thank you brother for doing this. I'll pray for the Lord's leading on gathering more such recordings from godly men.

"Remember that it is not hasty readingÂ—but serious meditation on holy and heavenly truths, which makes them prove sweet and profitable to the soul. It is not the mere touching of the flower by the bee which gathers honeyÂ—but her abiding for a time on the flower which draws out the sweet. It is not he who reads most, but he who meditates mostÂ—who will prove to be the choicest, sweetest, wisest and strongest Christian." Thomas Brooks
