

God Is in That!

A.W. Tozer:

Now, Lord, look on their threats, and grant to Your servants that with all boldness they may speak Your word, by stretching out Your hand to heal, and that signs and wonders may be done through the name of Your holy Servant Jesus. --Acts 4:29-30

Some are concerned because there are not more miracles and wonders wrought in our midst through faith. In our day, everything is commercialized. And I must say that I do not believe in commercialized miracles.

"Miracles, Incorporated"--you can have it!

"Healing, Incorporated"--you can have that, too! And the same with "Evangelism, Incorporated" and "Without a Vision the People Perish, Incorporated." I have my doubts about signs and wonders that have to be organized, that demand a letterhead and a president and a big trailer with lights and cameras. God is not in that!

But the person of faith who can go alone into the wilderness and get on his or her knees and command heaven--God is in that. The preacher who will dare to stand and let his preaching cost him something--God is in that. The Christian who is willing to put herself in a place where she must get the answer from God and God alone--the Lord is in that! Faith Beyond Reason, 33-34.

"Lord, forgive me for so often trying to box up my plans and organize Your work so it can all be controlled and explained. Take over, Lord, and do Your thing, not mine, today. Amen."
