

## Welcome & Intro :: new here

**new here - posted by girlofGod07, on: 2003/12/27 2:05**

hey everyone! I'm new here. From what I've seen it is a very intersting and informative site. At the moment I'm listening t o Jonathon Edwards' "Sinners in the hands of an angry God". My brother recommended it. I am probably much younger than the rest of you but hey, I dont care. I'm in love with my Savior and I know He has shown me so much lately. One m ain thing being...pray. That's all I can say. Prayer is the vehicle God uses. And it needs to be done now. Not later. Pray s cripture, pray in the Spirit...it never ceases to build me up and also change something in the heavenlies. "The fervent eff ectual prayers of the righteous man availeth much." As a Christian, I am that righteous man. For I am made the "righteou sness of God in Him" Him being Christ. So..in other words, my prayers work! hallelujah!

Wow you are so right. God has been dealing with me about prayer for the last 2 years, if you read alot of my posts thats what I usually share about and have good quotes about. check out this thread:

Hi "girlofGod07"! That's what I love about this site, so many young people who are hungry for more of Him- who are on fi re for him. It's awsome to see!

Welcome!,

I guess I would fall into this category of:

Prefer to think that I am in the middle at 40 :-) that will likely be up for debate!

It has been well stated here before that physical age and spirtual age are not necessarily linked.  
I believe that you will find that to be true here.

May you be blessed by what you find on SermonIndex and hope to hear more from you in the forum.

Prayer.

It's like breathing, we can't live without it.
