## Job with Billy Graham Evangelistic Assoc. - posted by KingJimmy (), on: 2006/4/20 12:42

Hey guys, please keep me in prayer. The Billy Graham Evangelistic Association has a few job openings here in the Cha rlotte area, and I have recently submitted an application for employement with them. My recent job that I took simply is not working out, and frankly, I would love the chance to work in some aspect of ministry over that of selling phones anyd ay.
