welcome and intro - posted by ICCCMDave (), on: 2006/6/9 21:17

Howdy,

I've lived in Phoenix, AZ since 1970. I was born and raised in Lima, Ohio.

For 30 years I was a hard core crystal meth user. Jesus saved my life. Thank you for the cross Jesus.

God Bless,

ICCCMDave

Welcome Dave and praise God for His mercy! If you haven't already, check out the vast resources here in sermons and articles. May I humbly recommend some Carter Conlon, Keith Daniel, and Art Katz for starters. That will keep ya busy ;-)

BTW, I'm from Phoenix also :-D

In Christ,

Ron

Welcome Dave,

Certainly a few could attest to similar backgrounds here, maybe not 30 years ... wow.

Maybe only a few could appreciate the tremendous testimony that this is. Praise God brother, you are in good company, let us know if we can be of any help.

Welcome Dave,

I hope you are blessed and challanged by the free resources offered at sermonindex. Listen to speakers like: Leonard R avenhill, Zac Poonen and others. If you haven't yet I encourage you to listen to this sermon by Paris Reidhead: Ten Shekels and a Shirt

bles you.

Thanks,

I converted Ten Shekels and a Shirt and Wolves from cassettes to cds for my Church. Some how the Lord kind of just a ppointed me for copying cds for my church.

I started making copies of A Divine Revelation of Hell by Mary K. Baxter for members of my church on my computer at h ome. The next thing I knew the church bought a 7 disk burner and I now make copies of our pastor's sermons and select sermons from other pastors.

God Bless

Dave

Mike,

I have hep c and it finally got so bad that every time I got high I would get very sick. I started crying and praying for help and it came. It took 3 and a half years of a lot of praying, crying, begging for forgiveness, and looking for a total truth church before I was finally delivered.

God Bless and Love

DAve

Dave,

Had a pretty long deliverance as well, it pales to yours ... So glad you found this treasury, it's been three years personally and couldn't begin to tell you how much it has changed everything.
