Revival Hymn - posted by fyc13, on: 2006/6/11 16:23

I am looking for anyone who has the Text of the "Revival Hymn". I want to use this with my small group and the quality of the audio along with the wonderful accents, make it a little hard to understand. If anyone has it, please let me know and I will provide my email address. Thanks in advance!!

Yes, brother Mike and others spent some great time making the text transcription! what a blessing. I have compiled it int o a booklet form with a nice cover.

Hi fyc,

Have it in Word and Notepad if that is helpful to you, drop me a PM or an email if you would like the file.
