Looking for a church in Pittsburgh - posted by habakkuk3 (), on: 2006/6/16 14:05

Our fellowship recently began a National broadcast in 13 cities, including Washington DC and I am looking for someone in or around Pittsburgh who would be willing to pray for a brother to find a church.

If you feel led to respond and will be an intercessor for this man and his family, please send me an email. Thank you.
