I have added a **new** functionality to the contact us page. Now you can reach the administrator via instant messenger using GOOGLE TALK.

You can download google talk here for free:
<http://www.google.com/talk/>

Follow the simple instructions on the "contact us" page to add sermonindex as a contact and reach the admin with questions or comments at anytime:
<https://www.sermonindex.net/modules/contact/>

If you have any questions or comments let me know.
