this is a really good video. really shows how christians can so easily judge the lost more than judging their own people. when judging outwardly like this, we really have a mind that says its all about me. paul says we are not to judge the lost, but the church. the lost do not have the truth like the church. Jesus had more grace toward the lost than the religious people. just read the gospel and you see the difference in the way He preaches to the lost and to the religious. Jesus spent His time preaching the cross, the kingdom of God to the lost and rebuking the religious. a lot of the lost know they are in sin. its the religious that don't.

this video will make you realize that evangelism is everyday, not a set day. how often do we miss evangelising and loving those around us, in our homes, work place, neighbors.....look around, you do not need to go far to evangelise. not saying we shouldn't go far to evangelise, but not all are called to go far, but we know we should always be a living testimony EVERYDAY to all who are around us, setting ourselves apart toward holiness that those around us will see a difference and have hope. it is easier to preach it, but harder to live it. do people around you SEE (not just hear) Christ in you the HOPE of glory?

1 Corinthians 5:12-13

12 For what have I to do with judging those also who are outside? Do you not judge those who are inside? 13 But those who are outside God judges. Therefore "put away from yourselves the evil person."

may the Lord have much mercy on us and continue to refine us TOWARD HIS GLORY and not our own.
