I am having such a struggle praying and this may be a stupid prayer but I know when I pray god answers. I want to see a breakthrough in my prayer life , we had a prayer time along time ago called the 24-7 prayer time and I prayed along time but i want to break barriers in my own life. I want to confess my sin. There have been certain barriers in prayer that I want to break

James 4v8 says draw near to God and He will draw near to you. It does not say we will feel, see or hear anything. Just do it. If we continue to go by the way we feel, it will make us miserable. No longer do I fall into the feelings trap. Sometimes I get up from prayer feeling nothing. I don't have to. If God said to draw near and He will do the same, then that is it. What more is there? Trust His word. He keeps it. God bless.
