A while back I found a radio station on Real Player that I really like. A lot of people might not go for these tunes but it will bless a lot of others who will like it. There are songs sometimes that I haven't heard or thought of for years that they play at times.

Again, It is on Real Player. You click on Christian Gospel and scroll it clear to the bottom of the page and find Old Christian Radio, Grand Prairie, U.S.

Hope this station blesses someone as much as it does me.

In Christ,  
GaryE
