

Welcome & Intro :: very thankful

very thankful - posted by oncallnow, on: 2006/11/15 7:15

thank you for letting me hear true broken, touched, intimate, real, annointed recordings..it is an amzing service. I in hastiness said once a sermon is an offspill of the catholic mass. But these recordings are unique the days are truly darker.and so many of the recorded lovers of god..are so vitally encouraging today.. again sincerely thank you...
