Here is a response to this sermon: Journal reading and message by Paul Washer

Quote:
------------------------Wonderful and Inspiring! (November 25/2006)

The prosperity preachers should listen to this message then hang their heads in shame! There's no doubt that Brother Washer is deeply in love with hi
s Lord. This message has help to remind me that I need to fully and completely trust in the Lord and Him only for my every need.

I do encourage you brethren to download these sermons, there is much to be learnt from these teachings. Oh may we le
ave changed as we listen to them.

My eyes swelled with tears too while listening to this. May God give us such hearts that trust in Him for all things, eternal
and temporal, whether in life or death.
