I live in the San Francisco Bay Area, CA. I have been attending a Baptist Church locally, but I long to fellowship with believers who share the convictions of Ravenhill and Tozer.

Any suggestions?

Brother in Christ,
Stephen

Hi Stephen:

I used to live down in your area.
I would check out Abundant Life.

www.alcf.net

ALCF is a bigger church with balanced biblical teaching. It is very diverse in many ways.
If that is not your cup of tea, check out
Calvary Chapel in Mountain View and see how it goes.
