

News and Current Events :: an 'interest-ing' post script to history

an 'interest-ing' post script to history - posted by philologos (), on: 2006/12/29 6:02

(<http://news.bbc.co.uk/1/hi/uk/6215847.stm>) UK finally settles its WWII debts

Re: an 'interest-ing' post script to history, on: 2006/12/30 1:02

Unfortunately 'great' Britain reneged on her Balfour Declaration debt to the Jews in giving them a homeland and instead parceled a lot of it out to her arab friends.

The world has been paying for that chicanary ever since.

And this the Land from whom John Bunyan and many great Saints came.

She is Great no more.

Gen 12:3
