Hi Jenn!

A most warm welcome to SI! Read a bit of your bio, ah ... you are amongst many "*such were some of you's*".

Drink deeply of all that is available here and do let us know if we can be of any help whatsoever.

Welcome, Jenn!

There is much here on this website to edify our walk with Christ. I've found the sermons on here to be a great blessing. Leonard Ravenhill, Keith Green, Paul Washer, Keith Daniel, Paris Reidhead...just to name a few. :-)

Blessings,  
Joy

Hey Jenn,

It was awesome reading your testimony presented on your page...God is truly amazing! I have almost a similiar exact one to you so I can definetly appreciate a little bit more as to where your coming from. I have been a member of sermon index for about a month and only have been listening to Paul Washers sermons, so I really don't log on much under my name. But feel free to hit me up on myspace if you would like to keep in contact..... [www.myspace.com/sxyblkricanma](http://www.myspace.com/sxyblkricanma) .

Be Blessed,

Hello Jenn,

Grace and peace to you too. You will find this a wonderful place to grow. The maturity of the moderators make is a good place to be corrected if needs be. I have seen the loving hand of carefulness and respect applied to correction. We all need this. The articles and sermons are a treasure to work your way through. Enjoy and grow! :-D
