Does your life reflect his Glory

His beauty

His majesty

His Holiness

His love

His tenderness

His mercy and His grace

Do you have liberty?

Are you standing in his victory?

Is his dying worth the life your now living

The words in which your speaking.

The love in which your giving.

Have you been transformed?

Are you regenerated , vindicated or are you still incarcerated to yourself.

your life , your way .

Is your will his will?

His thoughts your thoughts.

Do you reflect his image?

Or has it become distorted polluted blurry now unseen.

What message does your life send?

Again I ask does your life reflect his glory?

Very thought provoking words. This morning I was meditating on the brevity of life as found in the words of the book of James, "Whereas ye know not what shall be on the morrow. **For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.**" James 4:14.

If life is as a vapour than how much more important is it to live these few short years in a way that *does reflect His glory!*

Thank you for sharing this, brother.
