looking for an Adam Clarke Commentary Set (6 vol) - posted by tjservant (), on: 2007/2/4 10:46

I'm looking for an Adam Clarke Commentary (6 vol) I can't seem to find a set. Any ideas?

God Bless

TJ

Dear TJ,

I just checked on ebay and they have the complete commentary, the entire Bible, but it is on CD. The item number if you want to check it out is:

190047169957

Also they do have some books, but not sure about those, didn't have time to look carefully.

I hope this helps
