

Miracles that follow the plow :: A little better , but still sick

A little better , but still sick - posted by awakenwithin (), on: 2007/2/19 17:28

Thanks for all your prayer. I am feeling better.

Although my blood is carzy. I haven't been able to much with getting sick. I am have stop eating fruits that was really hard. I was able to go out the prayer tent.

My brother needs prayer, he goes to court tommorw
please pray I will jog,

I also have alot of people coming at me, because I satnd for hoilness. Please pray I am storng and bold and have wisdom.

I also praying about going to bible college?
I have a week to fill out the app.

thanks for your prayers
God blesss
Gail
