This sermon was very instrumental in my radical 180 back to Christ and His Way and Truth and Life. I had my own Saul of Tarsus moment, it took another form and my Ananias was a group of saints and some family members that were prompted by the Holy Spirit to go to me and help me out of the pit that I had dug for myself. I thank God that they obeyed the calling of the Holy Spirit.

There are some amazing truths in this message and I wanted to share it.

Blessings to you all.

Yes, a hearty amen! Anything by Jim Cymbala on this site is great. God has used this brother's heart on prayer many a time to warm mine when it has gotten cold.
