I know the webmaster Chris who runs the site I am going to try and give him a call today to see whats up! I have appreciated this brothers ministry and we have been working hand in hand in alot of things. I have the Revival Hymn and Freedom CD on this site so it lives on. But I do hope its just a network problem and hes back up soon.

Yes its a sad thing how many Christian sites have gone offline after only a few years. I don't believe thats the cause with fireonthealtar.com I just think there is domain company issues that might that a week to reconcile. I will try and phone Chris tomorrow and keep everyone posted. Please pray for him and his united4truth ministry.

FREEDOM CD! hear the gospel.

"FREEDOM" is a CD that is designed to do just that. On the "FREEDOM" CD you will not find the voice of any evangelist or pastor, just the words of Jesus and the testimonies of people who have received this treasure and bare witness to the fact that it is real.

Here is the entire "FREEDOM" CD consisting of 10 tracks in mp3 format.

(If internet explore tries to make you download the files as mpg simply right click the link and select "save target as" when the box comes up type .mp3 at the end of the file name. The file will then be saved in mp3 format.)

- Track 1 Matthew 1-4 (7.9 MB - 7 min)
- Track 2 Matthew 5-6 (9.3 MB - 8 min)
- Track 3 Matthew 7-10 (6.8 MB - 6 min)
- Track 4 Matthew 11 (5.9 MB - 5 min)
- Track 5 Matthew 12-15 (6.5 MB - 6 min)
- Track 6 Matthew 16 (7.7 MB - 7 min)
- Track 7 Matthew 17-20 (7.2 MB - 6 min)
- Track 8 Matthew 21-25 (8.4 MB - 7 min)
- Track 9 Matthew 26-27 (11.2 MB - 10 min)

Track 10 Matthew 28 (12.2 MB - 11 min)

Testimonies: If you have a testimony about the Freedom CD please email it to sermonindex@msn.com

Thanks Greg, will do

Hey Everyone - Thanks for the concern. I have been out of town for the past week. Greg is right, it's a domain resolving issue. The master domain name for the main server expired and I didn't know about it. They sent the renewal info to an email address I no longer had access to. Long story short, when that happened, it went down and took everything with it :) I also have had no access to email for the past week and still don't.

It takes roughly a week for the server dns/ip's to come back as well as the other domains (united4truth.com / fireonthealtar.com) They should be back up and working fine by Friday. However, you can still access the files at FireontheAltar by going to www.azusastreet.com

Thanks for looking out Greg and I appreciate the call - but I was in NC for the week. Everything should be back to normal within the next few days.

That's great new's!

To echo Greg's comment's, you have some friends out there brother. I don't even know you and I was getting emails of concern about you and your sites.

Do hope to correspond though once you do get back up in operation.

Welcome back!

Mike

Up and running again!

Re: - posted by Bought, on: 2004/3/25 19:02

Hey Mike, I think the picture of the cat by your posts is Hobbes from Calvin and Hobbes. When I was a kid that was my favorite comic strip. I remember my mom would make us wake up 30 minutes early, before school to read our Bibles. I always wanted to read Calvin and Hobbes instead. She didn't let me though, so instead of reading, I would spend thirty minutes every morning staring at a random page in my Bible wishing I could go back to sleep or daydreaming about fishing or playing basketball. (pretty pathetic uh) But, I remember that strip being hilarious.

FirontheAltar is back up. I think United4Truth is still down though. Thanks again for the concern and prayers dear brothers!

Ephesians 3:19 (spoken plurally from the amplified version)

"That we may really come to know, practically, through experience for ourselves, the love of Christ, which far surpasses mere knowledge without experience; that we may be filled throughout all our being unto all the fullness of God. That we may have the richest measure of the divine presence, and become bodies wholly filled and flooded with God Himself."

My 'avatar' yes, that is the infamous "Hobbes"

I have some silly post around here about Calvin and Co. will have to dig it up...for what it's worth I also have a tattoo of "Bill the Cat"...but that's another story and another post! :-)

Up and running again as of 3/29/04

Re: - posted by sermonindex (), on: 2004/3/29 10:50

Thank Mike, that's great news. here is a clip from His site (wonder what this new clip is going to be about, after the 'revival hymn' and 'freedom cd' can't wait to hear what is next):

SO, WHAT HAPPENED?

It was a freak thing. The master name for the server expired and I didn't know it. Long story short, that caused everything to go down for a little over a week. Some of the sites still aren't resolving. Last time I checked United4Truth.com is still down but should be up by the end of the day. Sorry everybody, this shouldn't happen again. *Alas, we have been working on something that's really, really, strong - should be released here over the next month.* In the meantime, check out this old file produced here about two years ago.
