Saints,

Denny Kennesaton speaks on the subject of loving one another as Christ loved us. He shows through personal testimony and clear scriptural teaching the wonderful principle on serving others above yourself. True love is sacrificial love that will seek others before self. This is the Christ-like attitude that we need to walk in: Others first. The story of polycarp was very moving and that is why I added this image of a man praying thinking of that story. I highly recommend this teaching.

Very good sermon.

"Love Christ and waste your life on others!"

Amen!

Luke 17:33

Whoever seeks to save his life will lose it, and whoever loses his life will preserve it.

What a wonderful way to "waste your life on others" in the service of Christ. A very challenging and encouraging message to have a right attitude and heart in serving God acceptably.

I encourage the saints to download and listen to this powerful message.
