psalm 107

4 Some wandered in desert wastelands,
finding no way to a city where they could settle.
5 They were hungry and thirsty,
and their lives ebbed away.
6 Then they cried out to the LORD in their trouble,
and he delivered them from their distress.
7 He led them by a straight way
to a city where they could settle.
8 Let them give thanks to the LORD for his unfailing love
and his wonderful deeds for men,
9 for he satisfies the thirsty
and fills the hungry with good things.

The Lord blessed me with this passage recently And GOD has been so faithful in keeping this promise in verse 9. Lately he's been really blessing me with fellowship with other solid, encouraging ,truthful, and graceful brothers/sisters in Christ. I really felt like I came thru a difficult time where I thought I could relate to verse 5 above.

Just wanted to share with the group here. The ministry of sermonindex and the new church I'm at (lighthouse gospel church) have really blessed me in so many ways. I've been greatly blessed reading the testimonies here and the ways the Lord is speaking to His People.

thanks for your labor in the Lord and the fellowship we have in Him.

God bless you brother.

Moreover the law entered, that the offence might abound. But where sin abounded, grace did much more abound. Romans 5:20 I can honestly say that "For I know that in me (that is, in my flesh,) dwelleth no good thing (Romans 7:18a).

I pray that others will be encouraged to seek God with all their heart, mind, and soul. What a wonderful God we serve.

I've spent most of my desert due to my foolishness and sin and knowing about God but not knowing Him! That's the key , God wants us to know Him. Praise God for speaking to your heart. Draw near to God and He will draw near to you. God bless you my friend!

Yes, thank you for sharing this blessing with us. I'm glad to hear you have found a good local fellowship, that is a precious thing in these days.

And thank God that He has raised up places like sermonindex to feed those who are hungry all over the world. Who would have thought, even 10-15 years ago, that such a thing would be possible? Our God is so faithful to supply every need!

In Christ,

Ron
