Peace Like a River - It is Well with my Soul - The Spafford Hymn

I would like to personally encourage everyone to support SermonIndex by getting a wonderful poster copy of this original hymn manuscript. I think its a wonderful idea and a blessing to the body of Christ.

Revival is born through travail

A family tragedy is behind the history of this magnificent hymn

that has become a moving inspiration to many people, the world over

Horatio Spafford, a Chicago lawyer and church leader planned a holiday in Europe in 1873, Anna, his wife, with their four little daughters going on ahead in the luxury steamer SS Ville du Havre. In mid-Atlantic disaster struck. The ship was rammed and hit amidships by another vessel and sank in minutes. Of the hundreds aboard only 47 were saved, among them Anna, rescued unconscious on a floating spar and taken by the rescue ship to France. From Paris she cabled the awful news to her husband: "Saved Alone" read more...

Greg,
this is a really cool idea- even for a gift (for my Father in law. He would love this!). I love this whole story behind it.

If we just get the print and not the poster- does it still help support Sermonindex?

In His perfect love, Chanin

Hi Chanin, Well this brother is paying \$50 to be a sponsor of SermonIndex. He is waiting to bless my ministry but also feasibly he needs help to keep paying the \$50 to support SermonIndex. So yes if there are 2 people per month who get the print then that would help SermonIndex quite directly. I really liked the idea and its neat to have sponsors where I fully agree with the principle and vision behind it.

I am just reminding people about this unique wonderful idea. I am sure the sponsor would love to hear your feedback and encouragements and if you are led you can get your own copy of the original hymn.
