I am wondering whether anyone posted anything about the recent homegoing of Major Ian Thomas. I attended Capernwray Bible School in England 1972 1973 and sat many times under his powerful ministry. If Chris Thomas is reading this, then greetings to you from me. Major Thomas made a significant contribution to sound Bible teaching world wide and lived an exemplary life as well. His fluent style and powerful delivery endeared him to hundreds of thousands around the world. He challenged the powers of darkness and strengthened thousands upon thousands in their faith. What about a feature sermon in remembrance of him Greg?
