Nigerian Christians are warring Muslims, and our brothers and sisters are fighting. I pray God will give them wisdom and bibles and help them be obedient to Jesus. Lord, please give our Nigerian brothers and sisters eyes that see and ears that hear. Please strengthen and encourage our brothers and sisters in Nigeria. Please watch over them and I pray Your will be done in Nigeria, for Your glory. If they need bibles, I pray we who have much can share with those who have none and send them bibles. Please help the Christians in Nigeria be true and faithful witnesses of Christ. Please help them, please give them wisdom, not religion, give them wisdom and patience and love and mercy. In Jesus' name, amen.

Did hear about this and know that it may have slipped past us here. Don't know all the details but may the Lord grant them wisdom indeed.
