Revival Conference Website Update. - posted by sermonindex (), on: 2007/9/17 19:38

Saints,

I have updated the www.revivalconference.com website with the latest information also there is the "new" solution of the sermon player watermarked and will be "live" in a few days. There is also contact information for myself for anyone that has questions in regards to the event that can call me.

Revival Conference Website: www.revivalconference.com
