I saw this sermon only has about 1000 downloads, it deserves much more attention.

(<https://www.sermonindex.net/modules/mydownloads/singlefile.php?lid7734&commentViewItemComments>) To live is Christ, to die is gain by Leonard Ravenhill

this is a hard saying.....

Hi Christian;

I'm out in the country, we do not have high speed internet, so it's hard to download, as it sometimes takes an hour or more.

Does Ravenhill have any transcriptions, that are in written form, because these only take a couple minutes? Thanks tom

not that i know of brother, but i think this message will be worth the hour it takes :-) even two hours ....

be patient and blessed
