Revival

Man coming to understand that he has to give the love, grace and forgiveness that he has received from God to his fellowmen.

Re: - posted by awakenwithin (), on: 2007/10/30 16:23

Prayer that does not fear man, But fears God
Prayer that prays truth and not Emotions.
One who understands why they are praying
and what they are praying for,
They out against evil and stand for truth even it will cost them their lives.

Their prayers lift up the cross, and Christ is seen in all his glory
They deny all their earthly thing to gain Christ

True prayer is where they see their great need for God, they are never so needy for God.

They are willing to wait on God until He comes.
They have no time limit they have God in no box.
There is freedom for the Spirit to work and move

They are brought to obey, They want to obey they long to obey. Obedience is their desire.

they are those who want to learn and do what they must to obey. They say they cry Lord let me obey, even I must die.

Revival will take work, hard and lasting work
One who will give their hearts time to pray.
One will count the cost and give themselves to prayer

One who will pay the price by sleepless night, long days. Many tears and sorrowful heart.

who will build who give the time, who come and give to prayer?

One who is not willing to turn back, one who is not willing give up, one who is willing press on when it is hard and when they have walk through the fire.

" Transparent honesty"

To be real open and Honest with others
quick to say when wrong
quick to say sorry
quick to say when wrong

Trusting In God and not man,

haveing a heart thankfullness
Seeing God hands in everything
Let the that which is dis hearting move us to pray even more

That we would see we are hopeless with Out Christ
our great need
Human ways are foolish

" Ascribe to the Lord they glory due to his name bring an offering and come before him worship the lord in the splendor of holiness tremble before him all the earth yes the world is established it shall never be moved let the heaven be glad and earth rejoice"

* Those who are see God is all his wroth and give him the glory that is due ti His holy name. Prayers that long for his glory. To say not to us but to your glory.. Not to us, If we eat or eat let it be all to his glory.

" For all the gods of the peoples are idols but God the Lord made the heaven splendor and majesty are before him strength and joy are in his place"

* Those who honor there God and know all idols are worthless and trash and should be cast away with a thought.

* Those who know God is on their side and their prayer will have power and strength

" Hear me my brothers and my people I had my heart to build the house of the lord .. But God said no.. My son would." Even though he didn't get to build it he help provide for his son to do so. May be on our hearts to pray for God work, we may not be those who get the glory, as pastors do, but we can be men behind the sense preparing for the house to be built.

" serve him with your whole heart and with a willing mind for he searches our hearts.. he test them"

* those who are not looking for people to praise them, tell what a good job they did, just to be faithful and obey God.

" God is great and powerful who get the glory and victory and majesty"

Those who want God to be praised
