Hi Nasher,

Don't know him all that well, but he prefers to remain anonymous and just wants the Lord to be glorified through this. We did kind of blow his cover though, if you do some digging...

Yes its an amazing compilation and God gets all the glory. I am trying to promote it as much as possible and in awe of how God is using it. The reach it has had into the world is phenominal. We will never really know until we get into heaven. ;-)

I have recently sent it out to 100's of pastors across canada I pray it makes an impact, Lord move:
