Roger Ellsworth speaks passionately about the desperate state of the Church. His sermon covers three aspects of the Isaiah scripture: A keen awareness of loss, A keen awareness of what produced the loss, A keen awareness that God could restore what was lost. True God sent revival is actual and possible in our days if we will humble ourselves as the people of God.

Thank you for this video message on the church's loss. He has also written a small book that I heard Leonard Ravenhill talk about called, "Come Down Lord!" It is a booklet on revival from Isaiah 63:3-64:12. A very good read indeed. Oh how closely we resemble Israel during that time.

It is a very good booklet I would encourage all to read.

In His service,

Steve
