Yea, I agree and I'm not just saying that either. That's a good interview!

This is indeed wonderful to hear our brother Greg's vision concerning Sermonindex and the church as a whole. He goes into some history on what began SI. This really is a **must-hear** for all SI users. :)

Thanks for sharing this! May the Lord's blessing be upon you, brother, as you pursue the vision He has placed on your heart.

I felt like I was camera shy! And I didn't articulate myself as best as I could, but it does give some good insights into the founding and vision of this ministry, thank you for the encouragements saints of God.
