### Earthly toys

(Henry Law)

"How long will you love what is worthless?"  
Psalm 4:2

The hearts of the wicked delight in this  
world's empty baubles. They greedily  
pursue a mocking shadow.

What folly can be worse!

When things are seen as they really are,  
earthly toys are worse than empty bubbles.

What will all the earth, and all the earth's  
treasures, and all the earth's pleasures  
profit—  
if our souls are not saved!

"How long will you love what is worthless?"  
Psalm 4:2
