Great job, Greg!

It is interesting and well-written! This is something that I will send to my friends and family. Some of them have asked questions about SermonIndex in the past. I pray that this would give a clear indication about the ministry.

:-)

This site was a treasure to find. Finally some likeminded people I can be around. I was beginning to wonder if I was one of the only ones around. Hey...I wonder is it possible to purchase any sermons or videos to share with other people?

"No purchase necessary". Think I recognize what you mean, there is no avenue available for purchase in quantity as on a CD or DVD. If that is what you meant.

It is all freely given and freely received brother. Copy and share. Noted your location elsewhere, I don't know what capabilities you have for reproduction or what you may have in mind, but shoot me an email or a PM.

Edit: Had you mixed up with someone else, thought you were in Iraq
