Video Help for the Revival Conference(s) - posted by sermonindex (), on: 2008/4/2 11:09

Saints,

I am praying that God will provide some people to help volunteer in the area of video production, it would be great to have some of the following types of people:

1. People that can video the conference semi-professionally for archiving purposes.
2. People that can do a more interactive video presentation of the event with interviews and a sort of documentary style video production.
3. Also anyone with photography skills that would like to come and help in that fashion it would be great.

We have had some people that are praying about helping with photography work. But we still need help in the VIDEO area!
