You are so very welcome enid. It hasn't been near that long for me with Herald of His Coming or with Carter Conlons Newsletter but i have been receiving David Wilkerson's Newsletter for about 25 years now.

Once in awhile i like to bring these up to let the newer ones of SI know about and Subscribe to as well as bring it up again for those who have been on SI for awhile and have not seen it thereby missing it. Just want to bless everyone as i myself Subscribe to all 3 and have been blessed so many times over as a result of these Subscriptions.

This publication is not free but a very powerful magazine on revival that all pastors should have:
