

News and Current Events :: Peak Oil Prices

Peak Oil Prices - posted by deltadom (), on: 2008/6/3 12:47

We were listening recently about the term Peak Oil
(http://en.wikipedia.org/wiki/Peak_oil) Peak Oil

Peak Oil is when all the Oil Fields reach full capacity and cannot produce any more oil. This is why oil prices are sky rocketing!

This means we need the Lords help!
