Wow, would I love to be there! One of my greatest joys is to see young people who are on fire for the Lord.

Will you have his message up on SI after the gathering? Hope so! :-)

In Him, Chanin

I just e-mailed my Pastor to see if it is something we could do.

Hi Sister Chanin, I am glad you like the idea of this conference. I think its awesome that wilkerson is going to pour himself into youth. I am not sure if I will be able to get the recordings on the site. We will have to see. It would be awesome if some people from SI would be able to make it at the conference.

Praise God, I'll be there and I pray with about 40-50 teenagers. God is good...

My pastor really likes the idea of us taking our youth there. Sounds like we'll be going.

I am past my youth but I am going together with a lot of other friends and our families :-). In fact practically the whole of Times Square Church will be there. It is just like what's happening in the church. During the youth service the adults occupy the remaining empty seats in the main sanctuary. A number of times when the whole church is filled with the youth, the adults stay in the overflow rooms (which have large TV screens in them) to join the service and/or intercede for the m.

I encourage everyone (young and old!) to encourage everyone else to go. For our youth. For our nation. For the Lamb who must have His reward!

I plan on being there. I plan on taking my whole family but it may end up being just myself and teenage daughter.

My family and I have always been blessed at the services at TSC when the youth choir ministered.

Greg, I will try to get copies of any audio or video recordings available and get them to you.

I would also really enjoy meeting up with others from S.I. and meeting in person to put some faces with the names. I plan on going up on Friday night and staying at a hotel in the downtown area.

God bless,

Mike
