My dear friend, Erin Alderson, has just released her latest album, 'Grace Enough'. Perhaps you have heard some of her music, which is on SermonIndex.

As usual, she is making it available free of charge. About half of the songs are old hymns set to new music.

(To download songs, go to the site, right-click and save. Lyrics available.)

Thanks for the resources,
Here is a few of my favorites by Mike & Lori Reeves,

((Sweet Hour of Prayer & Battle Hymn of the Republic))
These folks have also been gracious to put their music up for free

Not to hi-jack the thread but,
I hope this generates more ol' hymns sites hidden on the net!!!
