Will Asbell has a brain tumor, and they can't operate any more.

He is taking chemo .

Please pray that God will totally shrink the tumor, also that he won't have to have a Blood Transfusion.

He is 3 Years old.

Thank-you for helping me pray, and God Bless all of you.

To the God who sets his angel before His face always, high and holy, sovereign and supreme, may He show mercy visible to the eye and touch this little one for His glory in Jesus' name- amen.

I haven't heard anything else.

May God Bless you for doing so.

Little Will is better.

His Blood Platelets are up, and he doesn't need the Blood Transfusion, at this time.

He is going to take a series of Chemo to try and shrink the Tumor.

God Bless you all for praying.

God answered.

In Christ

Nellie
