Hello,

Does anyone has the sermon: Discipelschip of G Campbell Morgan?
Leonard Ravenhill spoke about this sermon in one of his own sermons.
I am searching for the text outline to read.

God bless

Lee

I understand that this was Campbell Morgan's first book. It has recently been reprinted but I cannot find the text online.
If you are interested in the new publication try Discipleship: G Campbell Morgan

thanks for the answer

I thought so already. I only found a book entitled Discipelschip.
