After 2 years of being a Christian (18 years old) I was in a christian book shop and my friend handed me a bookmark that he said he was going to buy for me, it had my name on it and the hebrew meaning for it: Viligant Watchman and it had this verse:

Ezekiel 33:7 - So thou, O son of man, I have set thee a watchman unto the house of Israel; therefore thou shalt hear the word at my mouth, and warn them from me.

I have taken it to heart and the 33rd chapter of Ezekiel has always been very special to me. It is very amazing how our names really do dictate who we are in many ways. Interesting site to check out the hebrew meanings of names.

You probably also know that Keith Green's middle name was 'Gordon'.
