Hi,

I was delighted to learn that Keith Daniel is speaking at the Revival Conference in Scotland. I'm hoping to be able to attend, but I was wondering if you know if Keith Daniel is speaking anywhere else in the UK this year?

Am I right in thinking brother Keith doesn't have a website and doesn't publish his speaking arrangements online?

Thanks,

David

Hello David,

I don't know of any other UK speaking engagements for Keith Daniel. He did speak in Ireland earlier this year but he normally just speaks in South Africa and America.

He does have a website that is in the process of being built. His newsletter is available on there which contains his speaking engagements:

<http://keithdanielaeb.com/>

Hope that helps!

OK thank you very much! :)

Happy to learn that Keith has a website coming, that's good!

Thanks again,

David
