Saints,

Some of the music in this is not the best but I feel the message is very well done overall that we should listen to this. Oh to make war against sin and self!

That is good. Our greatest enemy lies within...and yet our fleshly impulse is to want to lay the blame elsewhere instead of making war!

I am guilty.

There has been a rustling in the leaves I have been trying to ignore.

It is time for war.

Thanks for posting this. I very much needed it.
