Excellent website - posted by Limey153 (), on: 2008/7/15 12:26

Hi folks,

Some of you may know of this website but for any of you who do not know it, check out: (www.puritanlibrary.com) www.puritanlibrary.com

I just found this is an excellent website the other day it has many old books available free to download in PDF format. Books by people such as Jonathan Edwards, John Bunyan, Richard Baxter, William Gurnell and more. :-)
