Greetings to everyone

This was shared with me from some who love the Lord and I thought that it would be worth passing along as encouragement to the saints here at SI.

God Bless you all

Consider? If you would? Choose 5 POSITIVE things to dedicate yourself to praying to come to pass, and don't let them out of your sight day or night? By "positive" i mean "advancing or changing or healing or saving or revolution-izing something or someone or somewhere that would bring great Glory to God." There are, of course, legitimate prayers that are not in this category. JESUS prayed, "Let this cup pass." But, can we each pick five tangible, non-vague, specific POSITIVE things to ask God to accomplish, to the praise of His Glory -- and NOT LET THEM GO?! And, if someone were to ask you if you would tell them one or two, or five, of your five -- they would be Clear enough to you for them to roll off of your tongue, with a smile? "Mountain - BE MOVED!"
