SermonIndex Image Banners (copy to your site) - posted by sermonindex (), on: 2008/9/14 13:50

Saints,

Here are some image banners people are using across the internet to link to sermonindex.net I will be working on a page with links to all the official image banners in a few weeks:

Hi,

here are instructions on how to add images to your site:

Hi Greg...

Do we need to let you know when we use these? My brother-in-law owns a couple of businesses and is interested in adding a banner to his websites.

Thanks!
