Anyone ever taken a Sabatical?

I haven't... I don't believe in stealing. If I want one, I'll pay for it.

We give our pastor a 3-month (or is it 6) sabbatical every 5 years. It is good for him and thus good for us.

Thanks for responding, Sermonindex has helped during mine W/ sermons from the old soldiers. (Old Paths) I am not a Pastor but God has called me out of a Ministry where I was a leader. I am now resting and waiting on him for directions.
