i have posted several videos on GodTube testifying to having the abundant life, all the time! Glory forever! It is great to have rest, victory and to seek no more, but walk with him all of our days. We don't need revival, we need death...to ourselves. The Revived One is here!! I am altogether glad to be alive....

Amen!!! Satisfied in him and always wanting more! I have to testify, I cannot keep still...it is wonderful to possess our possessions all the time...Jesus did the hard part, glory to his name. He suffered and we rejoice. I don't understand it but by the grace of God I will do it! Fully saved is easy and profitable. I recommend it...
