Saints,

This is a notice on the front page of: <http://www.heartcrymissionary.com/> and is a good warning so we know that brother Paul is not active on any Christian community sites so if you see that happening its not paul washer at all.

Re: Paul Washer Imposters, on: 2008/9/22 11:28

Seems like Paul the Apostle had to deal with imposters too... Brother Washer is in good company.
